PROPOSAL · MILAN

The loyalty card for Orsonero.

A first idea for Orsonero Coffee: the card on your customers' phones, the printed kit and the texts to launch it. Have a look and try it, no strings attached.

ON THE PHONE

The customer's card

In the spirit of Via Broggi: white walls, light wood, natural light and nothing extra. Every stamp is a little black bear, like the name. At the eighth stamp, the coffee of their choice is on you.

THE FIRST WEEK

The launch plan

DAY 1	DAY 1	DAY 2	DAY 3	DAY 4	DAY 5	DAY 7
Put the poster by the till, at eye level.	Show your staff how it works: 2 minutes, use the "What to say at the till" text.	Publish the Instagram post and the story.	Give a free first stamp to everyone who joins this week.	Send the WhatsApp message to your regulars.	Put the sticker on the window and the cards on the tables.	Check how many members you have under Customers. Goal: 30.
