DIGITAL LOYALTY CARDS FOR CAFÉS

Customers collect stamps in Apple Wallet or Google Wallet. No app to download, no paper cards to lose.

In your colours

Logo, colours and stamp designed for your café.

No printing costs

No more paper cards: the card is always in their pocket.

Customers come back

Reminders on their phone and rewards that bring them back.

Everything in view

See who comes back, when, and who is close to a reward.

HOW IT WORKS

Three steps, ten seconds at the till.

1

Scan the QR

The customer saves the card in Wallet, on iPhone and Android.

2

Stamp it

With the phone you already have, one tap.

3

Reward

Card full: the reward is ready and it starts again.
